Camden Opera House Vertical Banner Dimensions

May.2006

Banner specifications/suggestions:

- In order to minimize strain on the banner poles, banners must be made of nylon or vinyl.
- Include "wind-cuts" throughout the banner so wind can travel through it.

If varying length, make it a bit on the short side, not longer, as shorter can be worked with, but longer cannot.

Banner regulations:

Please call Beth MacDonald at the Town Office at (207) 236-3353 to apply for a banner permit, several weeks before your event. There is no fee for the permit.

Please call Kerry Hadley, Opera House Manager, (207) 236-7963 or e-mail at khadley@town.camden.me.us to arrange for the banner to be hung two weeks prior to the first date you'd like it hung on.

Banners will be hung by our staff at a fee of \$50.00.
